### **FGVL supporting young growers**

Fruit Growers Victoria continues to support and work with our local young growers with another GV Emerging Leaders meeting being held next week.

FGV works closely with the young growers group, regularly organising orchard walks and meetings with presentations from various industry specialists.

Next week's event will be held at the MADEC Offices in Shepparton on Thursday, 07 December 2017. Guest speakers will include Scott Bocskay from Sustainable Melbourne Fund, Plunkett's Orchard Manager, Jason Shields and MADEC's newest member, Reginna Vasi.

Local Ardmona grower and FGV board member Mitchell McNab is one of the leaders and supporters of the GV Emerging Leaders Group.

*"This is a great opportunity for growers to get together and hear from guest speakers that will provide information that can benefit our organisations."*

The MADEC offices are located at 461 Wyndham Street, Shepparton. The meeting will start at 8.30am and include a light breakfast kindly provided by MADEC.
