1080 Baiting Course

Description
<p>This course trains participants in the safe, legal and effective use of 1080 pest animal bait products for vertebrate pest control in Victoria. Due to the similarities between 1080 and PAPP pest animal bait products, the course provides an appropriate minimum competency standard to use PAPP in Victoria. Students must have completed the Full Farm Chemical Course as a Pre-requisite to this course.</p>
<p>*Please call if you require further information.</p>
