

# Autumn Orchard Walks - Northern Victoria

## *‘Climate, quality, post-harvest’*

**This harvest season, take a stroll through Plunkett Orchards as we hear from global experts on:**

- Impact of this season’s growing practices on quality
- Orchard management techniques and post-harvest quality
- Climatic challenges for achieving quality and risk mitigation strategies
- ....And see Plunkett’s two new harvesting platform (Puma and Frumaco) in action!
