

Future Orchards Dinner - Southern Victoria

‘Dormancy breaking, sprays, flower & fruit mapping’

The Southern Victorian Future Orchard Walk has been rescheduled as a dinner in-conjunction with the Gippsland Fruit Growers.

Come and join growers and other industry personnel for dinner and listen to results from our past season’s trial work on dormancy breaking sprays.

Guest speaker Dr James Underwood, a specialist in field robotics from AgTech start up business, Green Atlas, will talk about orchard mapping using artificial intelligence algorithms to assist with orchard management practices to improve efficiencies and profitability for our Australian fruit growers.

Date: Monday 29 April 2019

Time: 6.00pm - 8.00pm

Location: The Pine Grove Hotel, 45 Stoney Creek Rd, Upper Beaconsfield

Cost: \$38.00pp for two course meal (entrée and main)

RSVP: Camilla Humphries - 0419 107 245 or chumphries@eemuir.com.au
