Fruit Growers Victoria

## Free tickets on offer to the Fruit Growers Victoria Conference

Greater Shepparton, renowned as the food bowl of the nation, will soon play host to the Fruit Growers Victoria Conference.

Thanks to a generous grant from the Department of Agriculture, Fisheries & Forestry, local growers are encouraged to take advantage of the limited free tickets to the Fruit Growers Victoria (FGV) Conference being held on Thursday, 22 August 2024. There is one free ticket per organisation available for local and interstate growers to attend the event.

With this year's theme of "Improving On-Farm Efficiency through Innovation" we are proud to have a stunning line-up of speakers, including two international guest speakers with specialties in apple, pear, cherry and stone fruit production.

Whether you want to listen to the experts or get hands on with the trade show and demonstrations that will be taking place both indoors and outdoors, there is something for everyone in the industry, from beginners to veterans of the industry.

Growers who are interested can contact Mick Crisera on 0427 239 871 or send an email to [office@fgv.com.au](mailto:office@fgv.com.au).
